Weekly

Climbing League is designed to push participants to grow as climbers in a fun and competitive environment. Our goal is to provide a community of climbers to challenge and uplift each other as they tackle the weekly problems on the wall. For newer climbers this is a great way to connect with other climbers and learn new things. For seasoned climbers, this is a great opportunity to test yourself and see how you stack up against the wall, and other participants!

### COMPETITION RULES:

- Teams compete as groups of 2 or 1
- New routes are designated weekly for the league scoring and include both top rope and boulder.
- All routes have base value start of 10 points. Each failed attempt on a route reduces the score by 1 point. The minimum value for a completed climb is 4 points regardless of attempts.
- New weekly routes go up on Mondays. Teams may complete the routes on any night, or combination of nights, throughout the week. Team Scores are due by close of business on Sundays. Score Sheets will be kept at the front desk.
- Climbers will not know the difficulty of climbs during the week. Routes are indicated with an unrated League tag.
- Each Participant logs their activity on the weekly routes, logging # of attempts and completion.
- The best climber (least attempts) for each route gets recorded as the team score.
- At the conclusion of the week, routes will be graded and scores will be tallied. Green/Blue grades will be scored as is. Purple/Pink grades will get a 2x multiplier, and Orange/Red will get a 3x multiplier.
- On Mondays, the Teams scores will be posted so you can see how you are doing in the league and the difficulty of the routes that you completed.
- Prizes will be awarded for the top 3 over all Team scores. In the event of a tie, total attempts will be used as a tie-breaker.

Top rope routes will include a mix of auto belay and top rope belay options. It is encouraged that all participants have their Top Rope Belay tag. See a staff member to get checked off on your proficiency or to sign up for a lesson.
